Study the complex relationships between culture, art and design as you travel throughout Berlin and Munich. Gain hands-on experience through design exploration, research and cultural immersion.

Examine the social histories, politics and cultures of Germany relative to significant monuments, art and design. Tour the Reichstag, German Parliament, famous for blending traditional architecture with a futuristic glass dome. Visit Neuschwanstein and experience the inspiration behind Cinderella's Castle at Disney World.

STUDYABROAD.UNT.EDU/FL
