https://g.co/kgs/FMXMd
Responsibilities
● As a Social Media Assistant, you will play a crucial role in managing our social media platforms, engaging with our online community, and assisting in the development and execution of social media strategies
● You will collaborate closely with the Social Media Manager and other team members to enhance our brand presence, increase our online reach, and drive engagement and conversions
● Assist in the day-to-day management of multiple social media platforms, including but not limited to Facebook, Twitter, Instagram, LinkedIn, and YouTube
● Create and schedule social media posts, ensuring consistent brand voice, style, and messaging

Social Media Manager
Dream A Pillow, Dallas, TX
We are looking for a creative and outgoing individual to proactively create and post tiktok content for our company page @dreamapillow.

2D Character Designer
Brazen Animation
Brazen is looking for a 2D Character Designer to join our team to help design the worlds our imaginative characters inhabit.
Responsibilities:
● Liaising with scriptwriters, designers, and developers on the look of the character/s and what style they are to be drawn in
● Maintain consistent style under the direction of the Art Director
● Developing various versions and costume changes of the character
● Use Adobe Photoshope and Adobe Illustrator to create concepts and final assets
● Collaborate with directors and other concept artists to create a visual consistency with other characters, and overall look of the show

Multimedia and Communications Manager
Dallas Museum of Art, Dallas, TX
Scope of the Position:
The Multimedia and Communications Manager works within the DMA’s Experience Department alongside a team of creative, communications, and marketing strategists to drive awareness of the Museum, its mission, and offerings across a range of media and platforms. In collaboration with many internal and external stakeholders, departments, and other partners, the Multimedia and Communications Manager serves as a lead storyteller for the museum, capturing the Museum, its programs and people through video, photography, and other dynamic storytelling deliverables to drive audience engagement, enhance guest experience, and strengthen the DMA Brand.
Requirements
Education, Experience, and Certification:

- Bachelor's degree in radio/film/television production, media arts, broadcast journalism, communications, public relations, marketing, advertising or related field
- 2-3 years' experience preferred
- Proficiency in the use of Premiere Pro, After Effects, Photoshop, Illustrator
- Expert proficiency with Adobe Lightroom
- Experience developing video treatments and storyboards
- Experience with asset management tools, practices, and workflows for archiving
- Experience with audio engineering and a basic understanding of acoustics
